

*ANASHAY JACKSON*

Anashay Jackson is 17 years of age. She graduated Morant Bay High School in 2019 and matriculated to sixth form in said institution. Her educational journey began at age 3 attending the Duhaney Pen Basic School. She attended the White Horses Primary School in the community of Rozelle for 6 years beginning in 2008. Each year of primary school Anashay was the top achiever in her grade. In grade six she was valedictorian and received multiple awards including; top achiever in Social Studies, Mathematics, and Language Arts in GSAT (Grade Six Achievement Test); and top achiever in Spanish in the western constituency of St. Thomas. Her GSAT grades got her placed in St. Hugh's high school for girls but she transferred to the Morant Bay High School in St. Thomas because of financial reasons.

Anashay continued her stellar academic record at MBHS for 6 years earning a spot on the honor roll from 3<sup>rd</sup> to 6<sup>th</sup> form. She received awards for the top achiever in Economics and Accounts on many occasions. She was a member of the math, quiz, modern languages, and Arts club. She was also on the netball and track and field club in eighth and ninth grade respectively.

She will begin her tenure at the University of the West Indies in August majoring in Economics. Anisha wholeheartedly wants to thank the Atlanta Jamaican Association for helping to make the next step towards her goals easier. Her academic endeavor has not been easy but she is passionate and determined to finish it.
