In this pandemic era, generosity such as yours is a sacrificial gift, and one that is wholeheartedly appreciated. The members of the Education Committee extend a sincere “thank you” for your donation; collectively totaling ~\$14,000.00. As echoed by our chair (per Confucius and paraphrased): “If your plan is for 1 year-plant rice; for 10 years-plant trees but for 100 years-educate children”. Ladies and gentlemen, your donation has contributed to our 100-year plan, therefore, it is difficult to find words to express our gratitude, so we again verbalize a heartfelt, “thanks-a-million”.

The following 19 scholarship award recipients, on their journey, are tremendously grateful and will be forever indebted to you for your contribution:
